Chocolatier Visit Carlton

The Falcons and Woodpeckers have welcomed a chocolatier into their classrooms on Thursday.

Initially, the children shared, and discovered, facts about the history of chocolate. Did you know that the Aztec emperor drank more than twenty mugs of cold frothy chocolate a day?

Additionally, we found out why fair-trade is important to farmers around the world. Look out for the fair-trade symbol the next time you go to the supermarket.

Finally, we created our own chocolate product and thought about how we'd sell and market it. If you have any questions about chocolate, just ask us!

Hepworth Gallery

Hepworth Gallery was a great experience. There were lots of fabulous artwork and some great sculptures. Our personal favourite was the Winged Figure which grew a humongous 6 meters.

This amazing museum was a brilliant experience.

Foundation Unit

On Monday, children found out about Chinese New Year. Children were told the story of how each year is named after an animal. Children enjoyed creating a Chinese Dragon Dance outside, designing Chinese lanterns and making their own Chinese writing. Come and have a look at our display!

This week's fairytale story has been Jack and the beanstalk. Children have enjoyed listening to the story and carrying out some fun activities. Some children are growing a bean, so we will be watching carefully over the next few weeks how they change! On Thursday a beanstalk magically appeared in our classroom! Children used their imagination to imagine what could be at the top of the beanstalk. Children came up with some very creative ideas!!

Yellow Star badges

Six more yellow star badges were awarded to children in our Woodpeckers class this week.

A yellow star badge is earned when children have 25 chance cards earned for positive achievement, behaviour or attitude at school. Well done Woodpeckers. Fifty chance cards earn a bronze badge and some of our children are nearing this achievement.
