Issue 07 V. Hall - Headteacher

Friday 5th November 2011

Parent Consultation Meetings

Your child should have by now brought home their letter for parent consultation meetings with their teachers. Each teacher will be holding day and night appointment slots. If you could please fill these in and return them to school as soon as possible as the slots of time are taken up very quickly. These meetings are to discuss your child's education and their progress.

These meetings will take place next week and days and times are as follows:

FU Wednesday 9th November at 5:30pm onwards and Thursday 10th from 1pm onwards.

MB Tuesday 8th November from 9:00am onwards and Wednesday 9th from 3:30pm onwards

RS Monday 7th November from 1pm onwards and Wednesday 9th November from 3:30pm

AS Monday 7th November from 1pm onwards and Wednesday 9th November from 3:30pm

AW Wednesday 9th November from 3:30pm onwards and Friday 11th Nov from 1pm onwards

GE Wednesday 9th November from 3:30pm onwards and Friday 11th November from 1pm onwards

LH Wednesday 9th November from 1pm onwards through to 5:30pm

HW Wednesday 9th November from 1pm onwards through to 5:30pm

When arriving for a daytime appointment, please call to the school office to sign in and Mrs Liptrot and Mrs Briscoe will inform you of where they will be taking place in school.

KS1 Unit

Mallards Literacy group have written some instructions to keep you safe on bonfire night.

Olivia: Don't go near fireworks.

Louis- Keep fireworks in boxes.

Millie- Don't go too near bonfires.

Joshua: Put gloves on and don't put sparklers near someone's face.

Lewis B- Don't put fireworks in your pocket

Mrs Blythe- Keep safe on Bonfire night

Karate

Spenser Sheppard in year 6 has passed his black belt during the school holidays. Spenser started karate with John Tunman at school and then went on to join Darton Karate Club.

Well done!

Head lice

We have been informed of an outbreak of head lice in KS2. I would like to thank the parents for coming forward. Could we please advise parents to check their children's hair regularly.

Foundation Unit

The full time children have been doing lots of work linked to 'Letters and Sounds' this week. We are really pleased with the eagerness of the children to learn and how supportive parents have been with helping. We really appreciate the time you all give to helping your children, thank you. The part time children have been focusing on basic nursery skills such as cutting, threading and sticking. They have also had a Write Dance session in the hall. Write Dance focuses on large movements. These all link to early writing and mark making skills. Miss Tyers, Mrs Arnold and Mrs Green were very impressed with how well the children joined in and were enthusiastic. We are all looking forward to an exciting and busy half term.

Robinwood (Y5 and 6)

There are a few places left for Robinwood. If anyone would still like to reserve a place for this trip please send your £15 deposit in a named envelope to the main office.

Data Collection Sheets

At parent consultations meetings we will be giving out data collection sheets. Could we please ask you to check these and then return in the post box in the main office.

These are the emergency contact details we use in school.

Road Safety Week

Next week we are having a Road Safety Week in school. The week will be introduced with an assembly on Monday morning led by Chris Hamer from BMBC.

Foundation unit children will be doing "Teddy takes a tumble" road safety.

Year 1/2 children will be doing a road traffic count with Chris and then in ICT they will then input their data into bar charts.

Year 3/4 will be learning about friction and forces and seat belt safety.

Year 5/6 children will be learning about communication and road safety.

The week will finish with an assembly where all children across school will share their learning with other year groups.

Children will also be bringing home road safety information.

Please ask your children to share their learning with you.

Regards Viv Hall (Headteacher)
