

The club aims to enable parents/Carers to get back into working life, or extending their learning abilities whilst their child is being encouraged to extend their learning through quality free play.

We see all children as individuals, with individual Needs, but give them the same opportunities to enable them all to have a chance to reach their full potential.

We ask our parents to make any suggestions to the setting, which enables us to plan for the future.

Children are the main source of our club and therefore we value their feelings, suggestions and input into the running of the club.

On registering your child/ren you will be giving booking forms that you can book your child/ren in for.

After 1 term of bookings the manager will ask if you want an on going booking so that you don't have to fill in a booking form. This will be the same days each term unless you change it. If you need a last minute place, you can phone up and see if there is an available place and staff will pick your child/ren up from class.

Payments of fees.

Fees can be paid at any time. Whether it is the middle of the month, at the end of the month or at the end of each Session if there are one off bookings.

The Manager would like all fees in by the end of each term.

This is because Parent/Carers fees pay for staff and the managers wages.

Problems and Queries.

If a Parent/Carer has any problems with club, staff or has problems paying fees you can make an appointment to see the Manager out of club hours, so a solution can be agreed to.
