

## Home - School Agreement

We recognise that the education of your children is a venture shared between you, the parents, and the staff of the school.

We each have our part to play.

We welcome your support, value your involvement and are pleased to see you in school.

## Home - School Agreement

We, the adults responsible for children at home and at school, want Carlton Primary School to provide a safe, supportive and stimulating learning environment in which each child is treated as an individual and the needs of all are considered.

We will encourage children to work hard, to behave appropriately and to take pride and pleasure in their own and others' achievements.

We look forward to working together with the wider community, on a basis of mutual respect to help our children become confident and enthusiastic learners.
